

Ai Lien – Artist Biography

Ai Lien is a Hanoi-based DJ exploring the spectrum of techno, house, and electro. Her sound moves fluidly between powerful and smooth, dark and bright, deep and uplifting—always tuned to the time, space, and energy of the moment.

Her sets weave intensity, rhythm, and atmosphere into unique journeys that transform the dance floor into a space of connection, release, and collective experience. What defines Ai Lien is her constant drive to challenge herself with sound, balancing the familiar with the unexpected.

With dedication and openness, she continues to refine her craft while contributing her energy to the community and supporting the underground scene that fuels her artistic journey.
